School-based matches at schools not on the list, we will provide you with a Holiday activity you can complete with your Little before school lets out for Christmas. Activity bags will be available for pick-up beginning November 14th, Monday-Thursday 9:00 am - 4:00 pm at BBBS's Office or coordinate with your Match Specialist to receive your activity bag.

There are only 6 weeks in the month of November and December to visit with your Little so we have included all 6 weeks in the Monthly Activities for you and your Little! Gale has put together great activities for each week of the month. The monthly activities include conversations starters, jokes of the week, ideas for Little Acts Big Kindness, games, and much more. Thanks to Gale for putting it all together! [Click here for the Monthly Activities!](#)
